TOWN

Last week was an extremely busy seven days for our manager Mr. Billy Bingham, with the dead-line for transfers on Thursday.

He has spent many hours, and travelled hundreds of miles in the quest for new players. It resulted in the satisfaction of clinching at least one signing before that Thursday deadline — and there may well have been other developments after these notes were compiled.

Dennis Martin, formerly of Newcastle United, Carlisle United and West Bromwich Albion, agreed to join us and in fact signed on the dotted line on Tuesday after visiting Field Mill with his wife Rosanne and two children Victoria (6½) and Simon (4½).

We extend a very warm welcome to Dennis and hope he will have a long and successful stay at Mansfield. Certainly his experience and skill should be a tremendous asset to us.

If there were any further developments then no doubt you will have read of them — certainly we hope to have been successful.

Last Saturday's defeat at Bramall Lane was most disappointing, particularly as we were on the whole, the better side, particularly in the second half when we really controlled the game.

Unfortunately we did not finish off the good work — and once again it boils down to that old soccer adage "If you don't score goals, you don't win matches."

The unluckiest player, was of course Mick Saxby, who had a peach of a header rattle the crossbar, and rebound to safety, which always happens when things aren't going just right.

We conceded a second goal late on, but by then the game was won and lost.

The position at the bottom of the Division II table is extremely tight at the moment with half-a-dozen clubs at least involved in the battle to avoid relegation.

One thing is obvious. The clubs who can string a few good results together, will pull clear, but it will remain close right until the final match in our opinion.

After to-day's game, and we extend a warm welcome to the players, officials and supporters of Bolton Wanderers who are top of the table at the moment, we face very tough away games in a nine-day period.

On Tuesday evening we have been ordered by the Football League to play our postponed game with Burnley at Turf Moor, kick off 7.30 p.m.

The following Saturday we make the trip to Roker Park to take on Sunderland, then are at Meadow Lane on Tuesday, 21st March, for our return game with neighbours Notts County.

Add to this our Easter programme of a visit from Tottenham Hotspur on the Saturday and an Easter Monday game at Craven Cottage against Fulham — then it is going to be tough indeed.

Incidentally the Craven Cottage match has an 11 a.m. kick off.

FOCUS

Good results from these matches however and we could find ourselves getting well clear of the trouble zone.

As our reserve team had no match during the week, we were able to pull in one of outstanding Midland Intermediate League games, this one against Walsall Reserves at Field Mill.

And the lads did very well to finish up with a 2-2 draw.

The A team also played extremely competently last Saturday to defeat Derby County 2-0.

This morning they were in action at Blidworth with Port Vale Reserves providing the opposition, and next Saturday another Potteries side make the trip to the same ground, this time it is Stoke City A.

On the injury front the news is a little more encouraging.

We are pleased to report that defender Kevin Bird has resumed light training after his lay-off with a badly strained groin.

Ernie Moss is making steady progress, and has now discarded his crutches in favour of a pair of walking sticks, but of necessity his pelvic injury is such that his convalescence is one which requires slow and strictly controlled supervision.

We also understand that Ian Mackenzie has successfully undergone his fourth cartilage operation and is now out of hospital, and we hope will soon be back in training.

It is the final opportunity we will have before the vital day to extend our wishes for every success to our neighbours Nottingham Forest in their quest to win the Football League Cup.

The final is next Saturday at Wembley and our hopes are that the trophy will finish up back in Nottinghamshire.

Finally, providing that both Gordon Hodgson and Colin Foster are in our side this afternoon and again on Tuesday then congratulations will be in order for both as they make their 200th senior appearance for Mansfield Town.

Well done lads — may there be many more.

SECOND DIVISION SCENE

by Tony Pullein

As you were at the top

With all the top six clubs featuring in drawn games, it was as you were at the top of the Second Division table after last Saturday's games. Brighton's performance in drawing 1-1 at Bolton must rank as best of all for, prior to dropping that point, Bolton had the best home record in the Second Division.

The Trotters had previously dropped only three points in 13 games at Burnden Park and even manager Ian Greaves conceded after the game: "We did not play at all. We didn't deserve any more than we got."

With their own goalscoring graph showing a downwards trend in recent weeks, Bolton must often look enviously at the record of Steve Taylor at Oldham. Last season Taylor scored 20 goals for Bolton but he was considered surplus to requirements this season and sold to Oldham for £38,000.

The move has done wonders for Taylor who last week scored his 16th goal in only 22 matches for the Latics. That was one of his most important for it earned Oldham a 1-1 home draw with Tottenham.

It kept aglow their last glimmer of hope of breaking into the promotion group. Oldham, beaten only once in 15 League games, have made a remarkable rise up the table but it seems they may have begun their challenge a little too late. They were seven points behind the third club, Southampton, with only 12 matches left to play.

Notts County may this week have lost their second defender to neighbouring Forest this season. Forest chief, Brian Clough, was hoping to sign County's Republic of Ireland international left-back Ray O'Brien. If County agreed to the sale they will almost certainly have banked at least £100,000.

Considering that they paid Manchester United a mere £22,000 for the Irishman in 1973, County will have shown a massive profit.

The previous highest fee received by County was the £100,000 they took from Q.P.R. when they sold centre-back David Needham during the last close-season. A few weeks later Needham moved on to Forest for £140,000.

County manager Jimmy Sirrel might not have been too keen to release another star defender, however, for his team has been sliding rather dangerously close to the relegation zone.

Another of the relegation strugglers, Hull City, received a boost when Alan Warboys crushed Millwall with a hat-trick — his first since joining them from Fulham for £25,000 earlier this season. It gave Hull a 3-2 win over their close relegation rivals and only their second victory in 14 League games.

Bristol Rovers extended their unbeaten League run to seven matches when they drew 2-2 at home to Burnley. But it was a close thing. The game was into its last minute when Stuart Taylor snatched the equaliser.

Rovers' other goal was scored by Bobby Gould while both Burnley's were hit by Gould's former Wolves' team-mate Steve Kondon.

Charlton recovered from a 0-2 deficit to draw 2-2 at home with Blackburn Rovers, their second goal coming from Terry Brisley — his first since joining the club from Millwall. Charlton have now gone 10 League games without a win and manager Andy Nelson may well have tried to strengthen his squad further before the transfer deadline.

The Second Division's two surviving F. A. Cup teams both face First Division opposition in to-day's sixth round ties. Orient have the tougher task, away to Middlesbrough, yet they are still buoyed by their outstanding 2-1 replay victory at Chelsea in the last round.

Orient have won away to two First Division clubs in the F.A. Cup — they succeeded in a third round replay at Norwich — and will be hoping to make it third time lucky to-day. Strangely, in League games, Orient haven't won a game since Christmas!

Millwall, at home to Ipswich, have been struggling all week to get a full-strength team together. Biggest worry concerned giant goalkeeper Nicky Johns who severely damaged a hand at Hull. Other Millwall players injured in the blood battle at Hull were Trevor Lee, Bryan Hamilton and Ian Perason.

Replays worry Bolton by Tony Pullein

Bolton Wanderers will not be too sorry that their F.A. Cup run ended with a 2-0 defeat by Middlesbrough for it was involvement in one or other of the Cups that helped to smash their promotion dreams in each of the past two seasons.

Indeed, manager Ian Greaves and his men have shown an amazing capacity to fight back against adversity. In each of the past two seasons they have been heralded as one of the Second Division's finest teams yet each time they have lost promotion on the final day by a single point.

It was cup replays that caused so much unwanted stress and led to those near misses. Three times this season Bolton have been involved in a replay, or re-arranged games. They drew 2-2 at Tottenham in the last round and then won the replay 2-1, and their scheduled games against us and Middlesbrough were both postponed due to weather conditions and had to be re-arranged.

On the other hand, the F.A. Cup has lifted the tension imposed by their relentless pursuit of First Division status and it was at Tottenham where Bolton hit their top form again after a depressing run which had seen them lose successive games against bottom dogs Millwall and Burnley.

They took their Spurs' form back into their League programme and won their next two games at Sheffield United (5-1) and at home to Hull (1-0).

After the events of the past two seasons it had been feared that the Bolton men might be unable to find the heart to make another serious promotion bid this term.

Yet, to-day they have one of the finest records of all Second Division clubs and will clearly be right up there once again at the finish.

Bolton's only serious injury problem this season has concerned centre-back Paul Jones, who was called up by the England squad last season. He missed the opening months of the season and was injured again in the Spurs' cup-tie.

When he is fit Jones normally plays in the centre of the defence with Sam Allardyce but the manager has the versatile Mike Walsh as replacement when necessary. Walsh has also played left-back and in midfield.

The full-backs were originally Peter Nicholson and Tony Dunne, the former Manchester United and Republic of Ireland player. But John Ritson was recalled when Dunne was injured.

Jim McDonagh, the goalkeeper purchased from Rotherham for a mere £10,000 last season, has been continuing with distinction in goal.

At full strength Bolton field Roy Greaves, Ray Train and Peter Reid in midfield and the attack comprises of Neil Whatmore, Frank Worthington and Willie Morgan.

Whatmore, top scorer with 31 goals last season, once again leads the way with 15 while former England forward Frank Worthington, signed this season from Leicester for £90,000, has scored seven times.

With Willie Morgan returning to his old Scottish international form on the wing, Bolton have been showing plenty of zest in attack just lately.

Gary Jones has not been able to regain his regular place in attack this season but he did score the goal which won the tie against Tottenham in the 4th round of the F.A. Cup.

Bolton have proved their worthiness of First Division football over the past two or three years and everyone in football is willing them to make absolutely sure this time. It is now 13 years since they left the top flight and the intervening years have seen them fall for a while into the Third Division for the first time.

Now they are geared for a return to the top, with only the League programme to concentrate on.

(Bottom right) Dave Goodwin gets a shot in with United's Ron Campbell in close attendance.

(Top right) Stags new manager Billy Bingham talks the with Chairman Arthur Patrick before the Hull City match.

Introducing BOLTON WANDERERS

Jim McDonagh (Goalkeeper). Jim joined the Wanderers at the start of last season on a month's loan from Rotherham United. Impressed and was signed for a £10,000 fee as cover for Barry Siddall. He soon got promotion with the transfer of Siddall to Sunderland and held the first team spot for the remainder of the season. Jim stands 6 ft. tall and matches his height with agility.

Terry Poole (Goalkeeper). Signed from Huddersfield Town last season for a £25,000 fee. Had still to make his first team debut at the start of the current season for the Wanderers.

John Ritson (Full Back). John was born in Liverpool and joined the Wanderers from schoolboy soccer. He graduated through the junior sides and is now a strong defender with an attacking flair. Missed a spell of last season due to a cartilage operation.

Tony Dunne (Full Back). Eire international who played for most of his career with Manchester United. Was a member of the United European Cup winning side and since coming to Bolton has proved to be a favourite with the fans.

Peter Nicholson (Defender). Signed for the Wanderers from Blackpool for a small fee prior to the 1971-2 season and has proved to be a fantastic bargain. He can play anywhere in defence and had a long spell at full back last season. Is also accomplished in midfield.

Roy Greaves (Midfield). Long-serving player who had a recent testimonial. Born in Farnworth, near Bolton, he is a non-stop worker whose workrate has to be seen to be believed.

Paul Jones (Defender). Paul is a central defender who has been a member of the Under-23 and full England squads. He is a commanding player in the air as well as on the ground and seems destined for further honours.

Sam Allardyce (Defender). A young central defender born in the Midlands, Sam joined the Wanderers from school and since coming into the side in 1975 has held down a regular place.

Neil Whatmore (Striker). Strong attacker with a flair for scoring goals. He scored 31 times last season to top the Second Division scoring chart for League and League Cup goals.

Peter Reid (Midfield). Another youngster who joined Bolton from school on Merseyside. Peter played for England's Under 21 side last season and went on the close-season tour of Scandinavia with the national side. Is a constructive player who reads the game well and is a fine passer of the ball.

Willie Morgan (Winger). Started his career with Burnley, then moved to Manchester United for a big fee. Returned to Burnley and was signed by the Wanderers two seasons ago. A Scottish international and member of the last World Cup squad, Willie spent last summer playing in American football.

Peter Thompson (Winger). Peter is the former Liverpool and England player who has won most of the honours in the game. A very tricky player, his class has made him a firm favourite with the supporters.

Ray Train (Midfield). Signed for the Wanderers only minutes before the transfer deadline last season for a £30,000 fee from Sunderland. Has a terrier-like tackle and is always in the thick of the midfield action.

Mike Walsh (Defender). Manchester born Mike joined the Wanderers from school. He is being groomed for a place in the side, but has had to be content with being stand-in for any of the defensive positions. Seems certain to win a regular place soon.

Andy Clements (Defender). Andy made his debut for the Wanderers in the pre-season Anglo-Scottish Cup games. Joined the club as a school-boy but has never really settled down in one position. Can play as a back four man or in midfield—and has had several games as a striker.

Garry Jones (Striker). Born in Manchester, Garry is a strong running attacking player. He can put pressure on defenders and once he gains more consistency seems certain to be a regular goalscorer.

Brian Smith (Midfield). Born in Walkden, near Manchester, Brian is a small but very active player who has impressed when used in midfield. His chances have been limited by the form of Peter Reid and the signing of Ray Train.

Alan Waldron (Midfield). Another player who joined Bolton from school. Has recovered well from a bad ankle injury, but has been unable to regain a regular first team spot. He had a spell in America prior to last season.

Frank Worthington (Striker). Bolton's record signing from Leicester City for a £90,000 fee in October. Started at Huddersfield, is an England International with lots of skill in the air and on the ground.

Chris Thompson (Striker). A speedy, skilful attacker who has already made his debut for the Wanderers. Signed first as a school-boy, then became an apprentice and went on to sign full professional forms in July, 1977. Has represented England at Youth level on a number of occasions.
